21st Annual Fly-In Breakfast a Success!

Despite the strong crosswinds on Sunday, June 28, we still had a successful breakfast—

**THANK YOU TO ALL OF OUR
VOLUNTEERS**

—who did a **tremendous** job!

We fed over 1000 people and gave approximately 300 airplane rides and 200 helicopter rides. Before the winds picked up later in the morning, we had about 40 aircraft fly in. Check out our web site for a slide show of this event: www.fly-iowa.com

Thank You for Coming!

We hope to see you again next

Oshkosh Trips 2009

Make reservations now for your airplane trip to Oshkosh Air Show July 27-August 2.

Call now to book your trip and share expenses on the flights to Oshkosh. Our flights leave Marion between 5:00 am and 6:00 am for Fond du Lac. There is a shuttle to Oshkosh and back. We will return the same day around 7:00 pm.

Call 377-0457 for pricing and to schedule your trip. Seats are filling fast, so call ahead to reserve your seat today!

P&N bids farewell to Whitney Skarphol as full-time receptionist. We welcome back Carilyn Morse, who will be taking her place. Good luck to Whitney who will be exploring her new career path as a stay-at-home mom.

Marion Airport Cares

P&N Policy

When the Master Switch is left on after a flight, the last person that flew the plane will be charged **\$25.00**. Use the checklist that is required by the FAA that can be found in the flight bag. Using the list will help you remember to preflight correctly and shut off all electrical switches in the aircraft. Not turning the Master Switch off causes a \$345 battery to fail and not be rechargeable.

No shows will be charged **\$25.00** for the instructor's time. There will be no charge if you call **BEFORE** your lesson to cancel.

Ground School will be starting in September. Private and Instrument rating classes are scheduled to be held at the Kirkwood Training Outreach Services Building in Marion in conjunction with Kirkwood Community College. Watch for more information in next month's newsletter or call Jan at 319-377-0457.
